End of Term Letter July 2011

Sai Spiritual Education

Sairam Dear Parents

Our new SSE term starts back on

Sunday September 11th 2011, at the new start time of 9.30am.

As you are aware the Centre has been surveying the timings of our current activities of weekly Bhajans at 9.00am & SSE at 10.30 which has been the case for the past 14 years, when we last did a big change from afternoon SSE & Bhajan sessions from 3.00 pm & 5.00 pm respectively.

The SSE survey asked parents about having SSE classes at the same time as Bhajans and at an earlier time of 9.30am, the centre devotees also voted on their preferred time for Bhajans from a choice of 9am, 9.30am or 10am. The Centre committee has agreed after looking at the combined results; to try this format for the benefit of the whole centre after the majority voted to have simultaneous SSE & Bhajans after 9am.

As you know that SSE is a Tripartite of Parent-Teacher-Child working together in partnership to help the child to develop human values through; spiritual, psychological, physical, social activities so that they can blossom into human excellence and be the shining examples and messengers of Our Dear Lord Bhagavan Shri Sathya Sai Baba.

Therefore classes will be from **9.30am - 11.am, at the same time as Bhajans**, so you can enjoy bhajans while the children are in SSE. This will allow you to take part in other Centre activities such as; Bhajan practices, Vedam & Rudram learning, Study circles, service activities, ladies wing sessions and much more...

Another advantage is that this will save you time & energy on two journeys; save on petrol & help our environment & at the same time create the opportunity for you as parents to take part in our spiritual activities; gain knowledge, & share experiences with other parents.

If you have any further queries please come & see us, we are more than happy to help to ensure we conduct the best possible learning experience for both the children and adults. *Have a lovely summer holiday!*
